## Double Sided Mirror

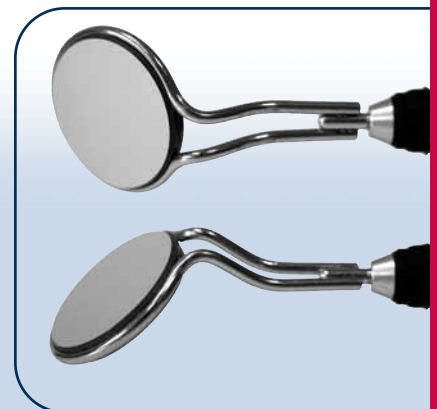

Hu-Friedy now offers you a double-sided mirror providing an optimal angle vision for indirect examinations.

The mirrors have a scratch protective Rhodium coating and each mirror gives a clear undistorted reproduction, thus facilitating top comfort during examinations.

The double-sided mirror is available in two sizes:

- M4DC and M5DC packs of 6 mirrors with European thread
- MIR5DS individual mirror with American thread and
- MIR5DS/6 a pack of 6 mirrors with American thread
